

We at Lost Pines RV Park welcome all visitors and consider our guests to be members of our extended family.

The following rules are designed to ensure that all guests have a quiet, pleasant and relaxing visit.

Check-out time is by 11:00AM. Due to previous reservations, if you plan on staying longer, the earlier you let us know, the better your chance of keeping a site. (Please note: we cannot always guarantee that you will be able to keep the same site due to previous reservations.) *Failure to check out on time will result in late charges as well as the possibility of you being towed at your own expense.*

A sewer hose seal (rubber donut or threaded connector) for your sewer hose is REQUIRED on all sewer hookups. Do not jam your sewer hose all the way down into the inlet as it can prevent flow from other sites and could stop up the line. If you do not have a sewer hose seal, we do have them available in the office for purchase.

Mats, Area Rugs, etc. (anything that can possibly leave dead areas on the lawn) are NOT ALLOWED under any circumstance. This includes breathable mats.

No parking on the lawn or in the roadways. If there is not enough room to park in your site, you may use the side parking area beside the main building or the parking area in front of the office.

No trimming or wood gathering from trees or you could be charged for damages. Firewood bundles are available for purchase in the office. Please do not allow your children to climb trees.

Garbage should be in sealed plastic bags and placed in the dumpster. Please do NOT use the trash bins located in the park for daily garbage. Do not leave garbage outside overnight.

Pets are certainly welcome at Lost Pines RV Park. However, all pets must be leashed and under physical control of the owner/handler at all times! **Pet pens, cages, kennels, etc. are not allowed.** Please do not leave your pet outside unattended and be sure to **pick up the poop**, as it is not up to other guests or the grounds crew to clean up after your pet. (Pets are not allowed in cottages.)

Children must be supervised at all times. Parents are responsible for their children's safe conduct and any injuries or damage that they may incur or cause. Unsupervised children who cause disruption for other guests may be asked to leave the park with their entire group.

Please respect privacy of fellow guests - Do NOT walk through occupied sites.

No smoking in buildings and cottages. This includes restrooms, showers and laundry room. Please use proper receptacles when extinguishing cigarettes. Please do not throw cigarette butts on the ground.

Absolutely NO FIREWORKS!

Please do not take picnic tables from their sites. This includes swapping them around. If you're planning a group gathering, we can make an exception to this providing all tables are put back, but please check with the office **beforehand.**

No Tents in RV sites! We have designated tent sites for tent camping.

Visitors are required to check in at the front office before entering the park.

The speed limit in the park is 10 mph. Please be aware of pedestrians and animals in the roadways.

Quiet hours are from 10PM to 7AM.

Be sure to close awnings when leaving your rig unattended. Strong winds can come about suddenly and cause severe damage.

Cleanliness of the park is important to us. Sites are to be kept clean and orderly, as determined by management. Please leave restrooms and laundry as you would like to find them. If they are in need of attention, please notify someone in the office.

Management reserves the right to evict or refuse entry to any person who has evidenced a disregard for the rules without a refund. Guests and their visitors agree to use the campground at their own risk. The management and owners are not responsible for damage, injury or loss to persons, pets or property. We reserve the right to make changes to the rules, regulations and fees that we deem necessary.
